

Hey everybody

For History I have to do a Civic Responsibility Project, and I have chosen to donate school stuff and sports clothes for children in Senegal.

Children in Senegal do not have that many things as we have here in Denmark, since they live very poor.

So if you have some things that you don't need, you can give them to me in 3i on 2. floor. Then you can help making a difference.

Thank you very much.

Naomi in 3i
