

## Referat af forældrerådsmødet tirsdag d.3.Marts 2020

Følgende klasser havde forældrerepræsentanter til mødet: 0.a, 0b, 1.i, 3.b, 3.i, 4.b, 4.i, 5.a, 5.b, 5.c, 5.i, 6.a, 7.a, 7.b, 7.c, 7.i, 8.a, 8.c

**1. Valg af ordstyrer:** Anders Fajers meldte sig.

**2. Valg af referent:** Anders Fajers meldte sig

### **3. Nyt fra Bestyrelsen :**

- Da Peter Navarro ( Bestyrelsesformanden) ikke var til stede og der kun var ét andet og nyt medlem af bestyrelsen tilstede, blev det vedtaget at lægge pkt.3 og 4 sammen.

### **4. Nyt fra ledelsen:**

- Peter Franklin startede med at give en mundtlig orientering omkring Corona virus og eventuelle forholdsregler fra skolens side : Skolen har ikke modtaget nogen anvisninger fra myndighederne, og på den baggrund er der pt. ikke taget nogle særlige forholdsregler ud over, at der forskellige steder på skolen er sat håndsprit frem til flittig anvendelse fra elever og lærere.
- I anledningen af 75 årsdagen for bombningen af Den Franske Skole - Jeanne d'Arc Skolen, er vi blevet inviteret til at synge på taget af Shellhuset, lørdag d.21.Marts, kl.11:30. Vi stiller op med præcis 86 elever, som var det antal børn, som døde ved bombningen. Begivenheden vil blive optaget af Danmarks Radio, ligesom der er forskellige markeringer rundt om i byen.
- En far til to børn i henholdsvis 6. og 7. klasse har på tragisk vis, taget sit eget liv. Dette har fyldt en hel del blandt eleverne og på den baggrund har Peter sendt en Mail ud til alle forældre.
- Renovering af skolen : Vinduer, el, vandrør og faldstammer, skal hen over de næste 10 år renoveres. Det er dyre poster, særligt fordi skolen er fredet og derfor pålagt særlige regler, men det er planen at disse arbejder finansieres via den løbende drift.

- Nybyggeri på skolen : Det er planen, at der på sigt skal etableres nye etager over den lille gymnastiksal. De nye arealer skal bruges til nye køkken-/ kantine faciliteter og undervisning i Science fag. Der er indsendt en indledende ansøgning til kommunen og forventningen er at arbejdet kan igangsættes om 2-3 år. Som det ser ud nu, er det planen at dette arbejde finansieres via låneoptagning, suppleret af fondsfinansiering. Når der er sagt ændrer de økonomiske rammer sig løbende for skolen på baggrund af de politiske vinde, så den endelige finansiering ligger ikke fast. Det er dog meget magtpåliggende for ledelsen, at byggeriet ikke bliver finansieret via øget betaling for at gå på skolen.
- Torben Møller, som egentlig allerede var gået på pension, stopper nu endeligt. Sofie kommer tilbage fra barsel og overtager nogle af de administrative opgaver, som han havde.

## **5. Nyt fra lærerne :**

- Ingen repræsentant for lærerne var mødt frem, så punktet blev aflyst.

## **6. Eventuelt:**

- Forældredagen d. 23. April er en torsdag og i modsætning til tidligere år er den efterfølgende fredag en almindelig skoledag ! Peter Franklin orienterede om dette i sit Efterårsnyt , men skriver ud igen, så alle er klar over dette. Det blev anbefalet, at skolen fremover lægger forældredagen i netop foråret, så der er en mulighed at tage eleverne med ud til aktiviteter i det fri.
- Rådet diskuterede dernæst, hvad der skal på dagsordenen til næste møde som særligt tema:
- IT, som særligt tilvalg ( f.eks. ligesom musiktilbuddet). Der er IT i indskolingen, men kan det være en mulighed at tilbyde mere dybdegående stof i udskolingen?
- Mobning, - dels fordi der hele tiden kommer nye i Rådet, men også fordi præmisserne ændrer sig.
- Førstehjælpsundervisning en gang om året.

- Dannelse og digital dannelse, på alle niveauer. Igen fordi der hele tiden kommer nye i Rådet, og igen fordi præmisserne ændrer sig.
- Stresshåndtering hos eleverne : Er der noget i oplægget om stress-håndtering efter Forældrerådsmødet, som vi kan tage med videre og integrere i skolens virke?
- Mere sundhed og bevægelse.
- Rådet besluttede at det på næste møde skal drøftes, hvad skolen evt. kan bruge af erfaringerne fra oplægget om metakognitiv stresshåndtering.

Lee Tesone takkede de fremmødte repræsentanter for god disciplin og lukkede herefter mødet.

Dato for næste Forældrerådsmøde vil blive annonceret hurtigst muligt.

## **Summary of parent council meeting on Tuesday, March 3, 2020**

The following classes had parent representatives for the meeting: 0.a, 0b, 1.i, 3.b, 3.i, 4.b, 4.i, 5.a, 5.b, 5.c, 5.i, 6.a, 7.a, 7.b, 7.c, 7.i, 8.a, 8.c

- 1. Election of moderator:** Anders Fajers volunteered.
- 2. Election of Minute taker :** Anders Fajers volunteered.
- 3. News from the Board :**
  - As Peter Navarro (Chairman of the Board) was absent and only one other, new member of the Board was present, it was decided to add paragraph 3 and 4 together.
- 4. News from the Management:**

- Peter Franklin started by giving an oral briefing on Corona virus and possible precautions on the part of the school: The school has not, by the time of this meeting, received any instructions from the authorities, and on this basis there are currently not taken any special precautions, besides the fact that hand sanitizers are now accessible on various places at school.
- The 75th Anniversary of the bombing of the French School - Jeanne d'Arc School. We have been invited to sing on the rooftop of the Shell House, on Saturday, March 21, at 11:30 am. We participate with exactly 86 students, which was the number of children who died in the bombing. The event will be recorded by Danmarks Radio, as well as various events around the city.
- A father of two children in sixth and seventh grade, respectively, has tragically taken his own life. This has occupied the minds of a lot of the students, and on that basis Peter has sent out a Mail to all parents.
- Renovation of the school: Windows, electricity, water pipes and downpipes must be renovated over the next 10 years. These are expensive items, especially because the school is protected and therefore have special rules imposed, but it is the plan that these works are financed through the ongoing operation of the School.
- New construction at the school: It is planned that in the long term, new floors will be established on top of the small gym hall. The new areas will be used for new kitchen / canteen facilities and teaching science . An initial application has been submitted to the local authority and the expectation is that the work can be started in 2-3 years. As it seems now, the plan is for this work to be financed through borrowing, supplemented by fund financing. That said, the school's financial environment is constantly changing in light of the political winds, so the final funding is not fixed. However, it is very important for the management that the construction is not financed through increased payment to attend school.
- Torben Møller, who actually already had retired, is now eventually stopping. Sofie is coming back from maternity and are taking over some of the administrative duties Torben had.

## **5. News from the teachers:**

No representative of the teachers had arrived, so the item was canceled.

## 6. AOB:

- The Parents' Day on April 23 is a Thursday and, unlike previous years, the following Friday is a regular school day! Peter Franklin briefed on this in his Fall News, but is writing again so everyone is aware of this. In the future, it was recommended that the school always plan the Parents' Day to take place in spring, so that there is an opportunity to take the students out for outdoor activities.
- The Council then discussed what should be on the agenda for the next meeting as a special theme:
- IT, as a special option (eg like the music offer). There is IT in Primary school, but can it be an opportunity to offer more in-depth material in Secondary school?
- Bullying - partly because of the constant replacement of representatives in the Council, but also because the premises are changing.
- First Aid training once a year.
- Education and digital education, at all levels. Again, because representatives are replaced, and again because the premise is changing.
- Stress management in the students: Is there anything in the presentation on stress management after the Parent Council meeting that we can take further and integrate into the school's work?
- More health and movement.
- The Council decided that at the next meeting it should be discussed what the school could possibly use from the experience of the presentation on metacognitive stress management.

Lee Tesone thanked the attending representatives for good discipline and then closed the meeting.

The date for the next Parent Council Meeting will be announced as soon as possible.
